5. HOW THE SERVICE WORKS

Making a claim

If during the **period of cover** your **insured item** suffers **accidental damage** or develops a **mechanical and electrical breakdown** you should contact our Claims Department by using the contact details as set out in Section 2 of this policy document as soon as possible after discovering the **accidental damage** or the **mechanical and electrical breakdown**. We will initially attempt to help you resolve any problem you are experiencing.

If we are unable to resolve your issue through troubleshooting we will confirm the details of your policy and the circumstances of the incident. We may require a proof of purchase. We will endeavour to make a decision on your claim at this time. If we require any additional information we will advise you.

If your claim is approved by our Claims Department:

- we may determine that it is not economic to repair your **insured item**, in which case you will be offered a replacement product, a cash settlement or an Amazon gift card at our choosing. You will be responsible for disposing of your **insured item**; or
- we will initially attempt to repair your **insured item**. If we are unable to repair the **insured item**, or it is not economic to do so in our opinion, you will be offered a replacement product, a cash settlement or an Amazon gift card at our choosing. The original **insured item** will not be returned to you unless you request it and cover our reasonable costs of shipping it to you.

Further information on how we will repair and/or replace your **insured item** or calculate the amount of a cash settlement or an Amazon gift card is set out below.

Paying a deductible

Your **certificate of insurance** will state whether a deductible applies to your policy. If a deductible applies, your claim cannot be approved until payment of that deductible is completed. This must be paid at point of claim using a payment card. If the replacement product's value is less than the amount of the deductible, we will reduce the deductible to an amount no more than the cost of the replacement. Depending on the deductible and circumstances of the claim you may be given the option of a repair or replacement.

How we repair an insured item

If a repair is approved by our Claims Department, we will make the necessary arrangements for your **insured item** to be repaired.

If your **insured item** is a television, we will arrange for an authorised local repairer to attend at your address on the UK [mainland]. If the incident is covered by this policy we will settle the cost of the repair directly wherever possible.

In all other cases, you will need to send your **insured item** to us for repair at our depot. We will arrange shipping from and to an address on the UK [mainland] and advise you of the process at the point of claim. Prior to shipping you must ensure that all access restrictions on the **insured item** have been removed (eg passcodes, or Find My iPhone). Servicing will take no more than eight (8) working days including transportation time (no more than four (4) working days in the case of mobile phones) unless the **insured item** is an Apple **insured item**, which may take longer. We will advise you if we expect the repair will take longer than this at the point of claim.

If **we** are unable to repair the **insured item**, or it is not economic to do so in our opinion, **we** will inform **you** within one (1) working days and **you** will be offered a replacement product, a cash settlement or an Amazon gift card at **our** choosing. How **we** replace an **insured item** or calculate the amount of a cash settlement or an Amazon gift card is set out below. In such instances, the original **insured item** will not be returned unless **you** request it and cover **our** reasonable costs of shipping it to **you**.

If the repairer identifies that the damage that has occurred is not consistent with the claim or is unable to access the **insured item** due to password or other access restrictions, the **insured item** will be returned unrepaired to **you**, or destroyed at **your** request.

We provide a six (6) month warranty for repairs. **You** must check that the repaired item is fully functional when **you** receive it. If the **insured item** is still faulty, **you** must inform **us** immediately. **We** may require **you** to consult the same local repairer who conducted the repair in the event of a problem.

We cannot accept any liability for the retention of any data, including **your** personal data, stored on **your insured item** during repair. **We** recommend that **you** backup all such data prior to taking **your insured item** to an authorised local repairer or sending **your insured item** to **us**.

We provide a two (2) year warranty for a replacement product provided in place of an **insured item**.

How we replace an insured item

If a replacement is approved by **our** Claims Department, **we** may replace **your insured item** with a new or reconditioned item of the same or similar specification. The replacement item may be a future version or edition of your **insured item**. **We** will attempt to match the colour of **your insured item**, but this may not be possible in all cases. Technological advances may result in a replacement item being provided which has a lower purchase price than **your** original **insured item** but in all cases will be of the same grade and quality of **your insured item**.

Mobile phones: If **your** claim is approved before 20:30 Monday to Friday or before 14:30 GMT on Saturday a replacement device will be delivered the next working day to an address on the UK mainland, on an island or remote location in the UK or in a country in the European Union that you have indicated to us. If you claim after 14:30 GMT on Saturday or public holiday, **you** should expect to receive **your** replacement in two (2) working days for an address on the UK mainland. If **you** request delivery to an address on an island or remote location in the UK or to a country in the European Union **we** will strive towards overnight delivery; however, there may be cases where this is not possible due to **your** location. **We** will notify you on the length of time it will take to deliver **your** replacement product to **you** at the point of claim and **you** must be available to take receipt of the product.

Other **insured items**: If **your** claim is approved before 18.00 Monday to Friday a replacement device will be delivered [the next working day] to an address on the UK mainland that you have indicated to us. If you claim after 18.00 on Friday or anytime on a weekend or public holiday, **you** should expect to receive **your** replacement in two (2) working days. **You** are not able to request delivery to an alternative address which is not on the UK mainland. **We** will notify you on the length of time it will take to deliver your replacement product to **you** at the point of claim and **you** must be available to take receipt of the product.

Replacements: if **we** request it, **you** will need to send **your** original device back to **us** with all access restrictions disabled within fourteen (14) days of receiving the replacement device using a pre-paid shipping label **we** provide during the delivery. If **we** are able to collect **your** original device at the same time as delivery of the replacement, **we** will inform **you** at the point of claim. In this case, the original device will become **our** property. If **you** do not do this when requested, the price of the replacement device will be deducted from the payment card **you** provided to **us** during the claim or will be invoiced to **you**. If **we** do not request that **you** send **your** original device back to **us**, **you** will be responsible for its disposal.

If **you** send us a broken device as part of a replacement claim, **we** will erase all personal data from the device.

Other settlement

In certain circumstances **you** will be able to choose between a replacement product, a cash settlement or an Amazon gift card to settle **your** claim under this policy.

The cash settlement or Amazon gift card amount will be determined by **us** based on the lower of the purchase price of **your** original **insured item** and the current replacement cost of a similar product of the same grade and quality as **your insured item**.

6. MAXIMUM COVERAGE

The maximum number of claims under this policy is limited to two (2) successful claims during any twelve (12) month period during the **period of cover**.

When **you** have made **your** second (2nd) successful claim during a twelve (12) month period, **you** will not be able to make another successful claim until the end of the twelve (12) month period commencing on the date of notification to **us** of your first (1st) successful claim. If this happens, **you** can choose to cancel **your** policy in accordance with Section 11 of this policy; however, **we** will not subsequently reinstate **your** cover for the same **insured item**.

The maximum value of a claim under this policy is £5000 or £1500 if the **insured item** is a mobile phone.

7. WORLDWIDE COVER

Your insured item is covered while **you** are travelling outside of **your** country of residence. However, repairs and replacements will be carried out in accordance with Section 5 of this policy. This sets out where an **insured item** can be shipped from and to for repair and where replacement products can be delivered to.

8. TRANSFERS

You cannot transfer this policy to another person or **insured item**.

9. GENERAL EXCLUSIONS

- xiv. replacement costs due to loss of the **insured item**.

The **insurer** shall not provide cover, and shall not be liable to pay any claim or provide any benefit under this policy, to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose the **insurer** to any sanctions, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the United Kingdom, European Union or United States of America.

- i. The **insurer** may vary or waive these terms and conditions to:

If **your** cover is changed due to legislative or regulatory changes which are outside the **insurer's** control, then **we** may not be able to give **you** sixty (60) days' notice. In such cases **we** will inform **you** as soon as practicable.
- iii. If the **insurer** varies or waives **your** terms and conditions and **you** do not wish to continue **your** cover you can cancel your policy in accordance with Section 11 of this policy.

11. YOUR RIGHT TO CANCEL

You have the right to cancel this policy at any time during the **period of cover**. **You** should contact **us** to cancel this policy if the **insured item** has been lost or stolen.

Cancellation in the cooling off period

For all other policies, please go to My Orders and you can cancel your policy here. **You** can also contact **us** to cancel **your** policy using **our** contact details set out in Section 2 of this policy. In either case, **we** will then immediately cancel **your** policy and give a full refund of any **premium** **you** have paid provided that **you** have made no claims under **your** policy. If **you** have successfully claimed under **your** policy in the first thirty (30) days for a continuous policy or first forty-five (45) days for all other policies, **you** will not be due any refund of **premium** **you** have paid.

Cancellation after the cooling off period

If **you** have a twelve (12), twenty-four (24), or thirty-six (36) month period policy, **you** will be entitled to a partial refund of **your premium** on cancellation provided that **you** have made no claims under **your** policy. If **you** have successfully claimed under **your** policy, **you** will not be due any refund of **premium** **you** have paid. This partial refund will be calculated as a proportion of the **premium** that **you** paid based on the number of full days remaining during **your period of cover** at the date of cancellation.

If **you** have a continuous policy, **you** will have no further liability to pay **us** any **premium** once **your** policy has been cancelled but **you** will not be due any refund of **premium** **you** have paid.

If **you** have successfully claimed under **your** policy, **you** will not be due any refund of **premium** **you** have paid. This partial refund will be calculated as a proportion of the **premium** that **you** paid based on the number of full days remaining during **your period of cover** at the date of cancellation. If **you** have a continuous policy, **you** will have no further liability to pay **us** any **premium** once **your** policy has been cancelled but **you** will not be due any refund of **premium** **you** have paid.
- iii. Any decision to cancel cover will not be made at an individual level and will not be based on whether **you** have made a claim, except where Section 12 (i) (a) applies.
- iv. Cancellation of **your** policy will not affect **your** entitlement to claim for any event occurring before the date of cancellation, except where Section 12 (i) (a) applies.
